Comforting Words

Many a Barre Household Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Barre readers.

M. I. Spaulding, painter, 16 Seminary street, Barre, Vt., says: "I had more or less kidney trouble for four or five years and I think it was the result of the conditions to which I am subject at my work. At night my back ached terribly and I could not sleep well. There were dark spots before my eyes at times and too frequent passages of the kidney secretions plainly proved that my kidneys were at fault. The contents of two boxes of Doan's Kidney Pills, procured at E. A. Drown's drug store, disposed of all these troubles, and I have only had to take this remedy once since then. At that time I found prompt relief from an attack of backache. I take pleasure at all times in vouching for the merits of Doan's Kidney Pills, and I gladly confirm the public statement I gave in their favor some three years ago."

Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound vigorous health.

If your dealer offers something "just as good," it is probably better FOR HIM—it pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.

Dr. Pierce's Common Sense Medical Adviser, in Plain English; or, Medicine Simplified, 1008 pages, over 700 illustrations, newly revised up-to-date Edition, paper-bound, sent for 21 one-cent stamps, to cover cost of mailing only. Cloth-bound, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.
